- Keep it simple and clear
- A motivated self-starter, independent as well as a good team leader.
- Hard Working
- Highly positive
- Leadership

PROJECTS

- **#1. Online Examination System**— *Technology: Codeigniter(HMVC), MySQL, Photoshop*

URL: <https://pendulumedu.com/>

<https://pendulumedu.com/webster/administration/login>

Role: Web Developer and UX UI Developer

Responsibilities:

1. UI design development with interactive UX
2. Complete Server side code development
3. Integrated PayU Payment Gateway

- **#2. Speech Recognition Voice chatbot** — *Technology: Google Web Speech Modules, PHP, javascript, Photoshop*

Role: Web Developer, UX UI Designer

Responsibilities:

1. Designed and Developed a voice bot to convert speech-to-text, recognize voice, get answer from AIML and send it to the user converting text-to-speech
2. Server side code development
3. Client side language code development

- **#3. ORM System**— *Technology: Photoshop, Codeigniter(PHP), MySQL, Rest API integration of various social apps*

Role: Web Developer and UI UX Designer

Responsibilities:

1. Designed wireframe and website application with interactive visual effects, Flash animated gif banners, gif icons
2. Integrating Public feed API's for facebook, linkedin, Googleplus, Google alerts, Youtube, Twitter and Web
3. Perform **sentiment analysis**
4. Create a dashboard to appoint relevant support person to answer the queries

CURRICULUM

Industrial Curriculum:

Mechanical and electronics
Robotics – Apprenticeship
(MICO BOSCH, Nasik) -
A Grade, 2007-08

Achievements:

Intermediate Drawing Exams
(St. Joseph Convent School) -
A Grade, 2003-04

LANGUAGES

- English
- Hindi
- Marathi

HOBBIES

- Church Activities
- Taking care of street dogs and needy animals and birds.
- Involving in NGO's that helps promote and provide education to adivasi children.
- Painting, Crafting and Cycling
- Being a Helping Hand

FAITH

"Be a light to the WORLD"

MOTTO

सुंदर भारत सफल भारत

TO INSPIRE

"Each ONE, teach ONE"

● **#4. Facebook Chatbot** — *Technology: Facebook graph API, Codeigniter (PHP), MySQL*

URL: <https://www.facebook.com/HDFCCredila/>

Role: Web Developer and Designer

Responsibilities:

1. Developed a Machine learning chatbot to talk to students.
2. Increased rate of leads generation.
3. Decreased human efforts.
4. Achieved augmented reality.
5. API integration with Facebook
6. API integration with Zendesk chat support.

● **#5. Online Reporting** — *Technology: Photoshop, Codeigniter (PHP), MySQL*

URL: <http://credila.info/livereporting/>

Role: Web Developer, UI UX Designer

Responsibilities:

1. Designed and developed a tool to manage employees daily work reports.
2. Server side code development
3. Client side language code development
4. Designed and developed Admin portal.

● **#6. GRE GMAT** — *Technology: Photoshop, Angular js, Codeigniter (PHP), MySQL*

URL: http://www.msmbainusa.com/gre_gmat/

Role: Web Developer and UI UX Developer

Responsibilities:

1. Designed and developed interactive student website application for testing GRE GMAT skills.
2. Server side development
3. Client side code development.

● **#7. Ticketing System** — *Technology: Photoshop, Codeigniter (PHP), MySQL*

URL: http://applieduloan.com/credila_ticketing_new/home

Role: Web Developer and Designer

Responsibilities:

1. Designed and developed a clean and easily accessible website application for raising employee grievances.
2. Complete Server side code development
3. Frontend UI design with Development

● **#8. Student Paisa**— *Technology: Photoshop, Codeigniter (PHP), MySQL*

URL: http://applyeduloan.com/credila_ticketing_new/home

Role: Web Developer and UX UI Developer

Responsibilities:

1. Designed and developed interactive website application for students studying abroad
2. Forex API Integration
3. Front end development
4. Travel Insurance module

EDUCATION

● JUNE 2018 - 2020 (APPEARING)

M.Sc Computer Science

K.K Wagh College of Engineering, Nashik

University of Pune, Third Semester - Project Work (Ticketing System), 42/50 Mrks

● JUNE 2008 - OCTOBER 2011

B.Sc Computer Science

Spicer Memorial College, Pune

University of Pune, Second Class

● AUGUST 2007 - MAY 2008

Apprenticeship

MICO Robert BOSCH, Nashik

Apprenticeship in Robotics and Mechatronics

● JUNE 2005 - MAY 2007

HSC Science

Bhonsala College, Nashik

University of Pune, 62%

● JUNE 2005

SSC

Kilbil St. Joseph, Nashik

Maharashtra Board, 70%
