Academic Profile

- ✓ **B.E in Information Technology** with **Distinction** from Sandip Foundation's Sandip Institute of Technology And Research Centre, Nasik in 2017.
- ✓ **Diploma in Information Technology** with **First class** from K.K.Wagh Women's Polytechnic, Nasik in 2013.
- ✓ **SSC** with **Distinction** from Rasbihari International School, Nasik in 2010.

Projects:

Title: - Surveillance and Live Streaming using Raspberry pi and Android

The system included two types of surveillance, one was by using a web URL and the other one was using an app. Both needed putty commands to be opened up. The data captured through the phone camera was transferred using the app, and the data captured via web cam was sent through the Web URL. This made it effective as it was used by both desktop application and in cell phone as well. It was basically developed for surveillance, and providing real time photos/videos was the main aspect.
