EXPERIENCE

Nov 2016 to Jan 2019: Webwing Technologies Pvt Ltd, Nashik from 1st November 2016 (Fronted Developer)
Worked as Frontend and Angular developer in the company. Have gone through many challenges such as working on angular or creating app with material design. Have been facing challenges from working in Framework 7 to work with AMP. I have been working Html5, Css3, Bootstrap, Javascript, Jquery all this time. I love to take challenges, recent major challenge I have faced was to work as angular developer which opened a new opportunity for me.

Apr 2016 to Nov 2016: Web Inventions, Nashik as Web designer

A small organization dealing with e-commerce and business websites.

Key responsibilities: Designing user friendly responsive websites.
